

self help with terry plumming
"horny pony would"

start with an empty stage.

narrator takes perch, tell the audience to assume the position.

dl brings out a table, chairs for three and a yellowcake.

1 mm leads r, dg and mme out to table with hoods on. sits them down. r is in wheelchair, they are all tied together at the neck.

dl lights candles. dl and mm sing happy birthday duet to machine gun happy birthday while r tries to blow out candles through the hood..

mm leads r, dg and mme off stage. dl presents yellowcake to audience and cuts it, serving it

r and mm play the "im holding something that will make you feel very uncomfortable". all exit, end scene..

e reads self help number one.

mm shows his pictures through the camera onto the glory hole wall.

mme walks out into the center of stage, dl appears with milkcrate, bowl, milk, cereal. mme sits down on milkcrate and eats cereal.

2 when mme is almost finished dl comes out and explains what the glory hole is and why it should not be fucked. dl removes all from the stage. dl gives mme his mic and mm picks up a mic and plays the "im holding something that will make you very uncomfortable". after exit stage.

empty stage.

r emerges in wheelchair and hands out chalk's materials. dl plays peter cetera on sax while we all sing along. toward the end of the song mm presents his pack of desert storm trading cards through the projector.

3 after finishing the song dl reads "it is now now time to wake up".. ralph after returning from audience falls asleep on stage.

after dl has read for awhile the chicken win fairy appears and dances about and hangs the wings.

3
dl is reading this whole time, ralph is sleeping this whole time. mm gives r the dirty snchez with wing sance and exit with dl. r wakes up and eats wings until satisfaction, dl brings r guitar. r is inspired to sing jesus died until he cracks up.

power electronics accompany. e and mme read at will from texts.

all exit, stage is empty.

4
dl enters and explains the fauxxx paul conspiracy. after dl is finished reading he goes to wall above puppet window and does handwriting exercises.

r interrupts and does retard puppets, dl moves to wall left of door to continue handwriting.

dl closes puppet window and exits.

dg addresses audience with self help text and chalk commentary with e..

all exit stage..

5
e has already applied blackface, and chestface and comes down. e in dress as oprah..

dl brings out chair and e enters as oprah introduces show.cue power electronics. dl brings out suit of lance armstrong armor.. r plays the voice of lance behind the stage. oprah talks to lance. sounds increase as dl brings out dog skin rug replacing lance and serves the sandwich on the forks..

e lays down on the dog skin rug. mm appears with blackface paint, rice bucket and oil and gives e a black back while baptising him with rice.

mm exits and takes command of backside of glory hole. e looks for him and notices the waving fkag approaching gloryhole. e achieves satisfaction while mm hugs ~~xxxx~~ e. mm appears with glasses of milk..

all exit stage stage is empty.

5
mm returns to glory hole to serve b rocolli.
mme lays out sleeping bag and pillow. dl enter
s and falls asleep and then wakes up. in the g
lory hole is a bite of borocilld and cheese fo
r dl to eat. dl crawls over to the glory hol e
inside the sleeping bag and eats the food. wit
h noticable euphoria.

after he has chewed and swallowed and emoted an
d brief pause a second bite?apears. dl eats th
e second bite with insreased euphoria and fall
s back in ecstacy to pick up with the mic to
address the audicence.

he speaks of the brocolli and the room outside
which segues into the exxplanation of the eup
horia of enthusiams.. everytime that dl says e
nthusiasm every member of the crew drinks..

dg climbs the perch to light endless fireworks
as dl is peltedf with water ballooons. and bou
ncy balls. dl wet takes a solitary bow.

exit stage, end play.
